NEW ESNZ JUMPING & SHOW HUNTER FEES ANNOUNCED

An exciting and more simplified fee system will help lower the barriers to entry and encourage greater participation across all Equestrian Sports New Zealand disciplines from Friday 1 August 2014.

ESNZ registration fees will be decreasing for an adult and horse from \$170 to \$125. This reduction to centralised fees has enabled Jumping and Show Hunter to modestly increase their fees to ensure that the additional revenue can be invested directly back into the future development and growth of the sport, without extensively hitting the pocket of members!

The move by ESNZ Jumping towards introducing a combination of a lower upfront fee and pay-as-you-go system is a positive step forward for the sport which will allow the grassroots level combinations and recreational users to compete within ESNZ at a lower rate. The new fee system will also allow for an easier and more cost effective crossover between Jumping and Show Hunter as well as encouraging increased participation from discipline-to-discipline through the newly created ESNZ Flexi-Start fee.
