Welcome

To our Dairy Exhibitors – from Manawatu A & P President, John Wall

We have made changes within the Manawatu A & P Association with a new Executive Officer / Event Coordinator, Raewyn Perry and myself as President.

Our Show weekend of 8th & 9th November 2014 will have our popular Livestock Classes, as well as Royal Classes this year for both Dairy and Pigs.

The Royal A & P Show of 2013 has been and gone and we are now focused on our core business of running an exciting programme of family entertainment, exhibitions and competitions as well as Mahons thrilling rides and side shows.

A feature of our Show is the Farmworld Animal Nursery which has been noted as one of the best in the country.

Contact has been made with all past members and supporters of our Show and I do encourage you to attend.

We wish our Dairy Exhibitors a successful and enjoyable competition

John

Exhibitors Information

Rules and Regulations

The rules and Regulations as issued by the Royal Agricultural Society of New Zealand (Inc) for the governance and conduct of A & P Shows have been adopted by the Manawatu & West Coast A & P Association. It is the responsibility of exhibitors to be conversant with these rules. Copies of the Rules and Regulations are available on request.

General

- a) We reserve the right to amalgamate classes on the day, when there is only one entry. In this case, the exhibitor has the right to move up a class, or stay in the age group and receive a ribbon only. All other exhibits must be shown in their respective age group.
- b) Exhibitors are requested not to tether stock in Judging Rings.
- c) All cattle entered in the purebred classes must be entered, if one year old or over, in the recognised Herd Book of the breed concerned. If under one year of age, they must be eligible for entry. The names and pedigree of all such cattle must be stated on the Entry Form and if the exhibitor is not the breeder, the breeder's name must also be stated.
- d) For exhibitors travelling from Waikato and North of there, may enter the showgrounds from Wednesday 5th November. All other exhibitors may enter from Thursday 6 November

TB Testing

All cattle including yearlings entered for this Show must be from a TB free and accredited Herd within the preceding 12 months. Cattle from a TB and accredited herd within a declared Movement Control Area must be tested and passed within 60 days of movement.

A copy of the Test Certificate must accompany all entry forms.

Checks will be made for TB declaration cards on stock arrival.

All animals must comply with current Animal Health Board regulations.

INSPECTION: The Committee reserves the right to inspect at random any cattle for tattoos or identification to establish TB Status.

NAIT: For cattle being moved from 1 July 2012: A NAIT approved RFID tag is mandatory for all movements of cattle, including day old calves. NAIT approved RFID cattle tags are white only. Please do not remove tags if cattle are identified with Animal Health Board or MINDA tags.

As of 1 July 2012 a secondary tag is no longer required under the new NAIT scheme. All animals being exhibited at the Show come under the standard identification and ASD regulations. These cattle will require the NAIT approved RFID tag.

It is the livestock exhibitors responsibility to record all animal movements with NAIT 48 hours prior to leaving the farm/property for the Show and then within 48 hours of returning to the farm/property from the Show.

1. Animals are from a clear status herd Yes No
2. Routine TB testing requirements are complete. Yes No
(To arrange a TB test please contact TBfree on 0800 482 4636)
3. Animals are from a Movement Control Area. Yes No
4. If yes to 3, pre movement will be completed within 60 days of movement to show. Yes No
5. All animals presented for showing will be compliant with NAIT requirements
(This will include recording of NAIT movement & identification with approved RFID ear tag.) Yes No

Manawatu A&P's NAIT number is 443920

Feed Requirements

The Association is unable to provide paddocks for stock on the grounds. Green feed will not be available.

Auxiliary Equipment Not Permitted

In the interest of safety and tidiness in the Pavilion. Exhibitors will not be permitted to bring any items of electrical equipment into the Pavilion. This includes auxiliary milking plant, water heating equipment, cooking appliances etc. Blow driers and clippers are allowed. A designated area will be provided where blow driers and clipping shoots can be used.

Stalling Of Entries

In the event of catalogued entries not being exhibited at the Show, the Chief Steward shall have the right to re-allocate such stall spaces.

NB: It is a requirement of all exhibitors to keep their area clean and tidy throughout the duration of the show.

NO STRAW is to be brought onto the grounds. Sawdust bedding will be available for all animals. Feed receptacles will not be provided in the Cattle Pavilion. Exhibitors wishing to feed meal or dry stock foods should bring suitable containers with them. Water troughs are located in convenient positions in the Pavilion. If extra sawdust is required, exhibitors are required to provide this at their own expense.

Limitation on Entries

The Committee reserves the right to limit entries. Exhibitors are directed to the conditions and by-laws set out in each Schedule. If any entry has to be refused, entry fees will be refunded in full.

Vehicle Parking

Exhibitor entry is via Kawa Kawa Road, Feilding, Gate 5. Please park in the area provided for Exhibitors of the Dairy Section.
