## From Manawatu & West Coast A & P President, John Wall

We're gearing up to bring back the regions' Agricultural & Pastoral Spring Show.

The event planned for Saturday 7 and Sunday 8<sup>th</sup> November at Manfeild Park in Feilding will focus on quality local livestock competition, trade, exhibitors, entertainment, iconic locally produced food and include events for Manawatu Schools.

With a history of 129 years, the Manawatu Show has established a place on the Manawatu Events Calendar. Their new home of Manfeild Park in Feilding places the show in the heart of the Manawatu region and the facilities allow both indoor and outdoor events to exhibit to their best advantage while giving the public excellent opportunities for both viewing and interacting with activities. It's a chance to have a go at shearing, feeding animals, driving diggers, and for thrill seekers to climb aboard the new rides.

The Manawatu Show began in Palmerston North at what was known as the Palmerston North Showgrounds on Cuba Street in 1886 and in 2007 they moved to Manfeild in Feilding.

Our Show this year will bring the best of all things rural together. Promoting excellence in Agri- business is one of our goals. Our region contributes significantly to the economy and plays big part in the lives of local people – whether involved in primary production on farms or in agricultural service industries.

The A & P Show is about bringing the country to town and offering real 'hands –on' opportunities for people to get amongst the animals. Activities like shearing, equestrian sport and our 'Farmworld' petting zoo are amongst the best in the country.

With over 100 free things to do and give-aways inside Manfeild Park at 'Showtime', it's time to bring your family back to the Manawatu Show this year.

The relaxed carnival atmosphere allows the public to sample artisan local foods and beverages which are uniquely available at Showtime.

Manawatu residents, families and visitors can all experience the unique sights, sounds and flavours of a spectacular local A & P Show weekend this year on 7 & 8<sup>th</sup> November at Manfeild Park in Feilding.

1. The Rules and Regulations as issued by the Royal Agricultural Society of New Zealand (Inc) for the governance and conduct of A & P Shows have been adopted by the Manawatu & West Coast A&P Association. **It is the responsibility of exhibitors to be conversant with these rules.** Copies of the Rules and Regulations **are available on request.**
2. The RAS Equestrian Competitors and Judges Rule Book (2015) is available for purchase from the RAS Head Office, or on the RAS website.
3. **Entries are accepted on the clear understanding that the Rules will be adhered to.**
4. **Arrears & Entries**  
The Committee reserves the right to limit or refuse any entries. If any entry is refused, entry fees will be refunded in full.  
A person who is in arrears to this or any other affiliated show with regard to entry fees, subscriptions, or other fees, is ineligible to enter and compete at this or any other affiliated show. Proof of payment is required before any restriction is lifted.  
Entry Refunds: Requests must be in writing, with Dr's or Vet's certificate, and will be less 25%
5. **Forbidden Substance Testing (Drugs)**  
The RAS Forbidden Substance rules apply. Competitors are advised that tests for forbidden substances may be carried out during the Show and that testing of all animals is at the risk of the person responsible. A Forbidden Substance is any substance capable of affecting the speed, stamina or courage or conduct of a horse, pony, donkey or mule by its action upon the central or peripheral nervous system of the cardio-vascular, respiratory, alimentary, digestive, musculoskeletal or urogenital systems.  
The RAS forbidden substance levy has been included in the entry fees.
6. **The Age of all horses and Riders shall be computed as at August 1<sup>st</sup> 2015.**
7. **Stallions & Colts are** eligible for all classes, but (with the exception of Miniature horses and foals) must be shown in a bit, and must be clearly identified with "S" identification badges, one on each side of their bridle at all times. The rider must also wear two RAS official armbands (one on each arm) when in the ring.  
Handlers & Riders of stallions and colts must wear an approved Hi Viz vest during the show when outside of the showing ring. ('S' badges, arm bands and vests can be purchased from RAS Head Office). Handlers or riders of Pony Stallions must be 14 years or over; and under 17 years if riding an open pony stallion. Stallions over 148cm must be led or ridden by a rider/handler over 17 years of age.

8. All **leased horses** or ponies competing at this Show must be registered with the Royal Agricultural Society. Such lease must be for a term of not less than 6 months starting from receipt of confirmation of the Lease from the RAS, and must be registered before entries are made.
9. Depending on entries at closing date, classes may be cancelled, split, or combined if appropriate.
10. Although it is provided that horses may compete in more than one class, any or all such classes may be judged simultaneously at the convenience of the Judges or Stewards. In all such cases exhibitors having an exhibit entered in more than one class **MUST ELECT IN WHICH CLASS THEY COMPETE.**
11. The Manawatu A&P Association is required to conform to the **Health and Safety** in Employment Act. However, as a show exhibitor at this venue you are also obligated to accept responsibility for ensuring a safe showing venue within the focus of this Act. As a user of these facilities, you are required to manage and supervise all your activities and live animal exhibits to ensure the good Health and Safety of all people involved in the show, at all times.

**H&S Specific Requirements:**

- All vehicles, caravans and floats requiring power must have a Warrant of Electrical Fitness that meets legislation standard AS/NZS 3001.
  - Any and all electrical equipment, including extension power leads, must be “tested and tagged” with a current tag.(Standard AS/NZS3760)  
*Note: Vehicles and leads may be checked during the show.*
  - Anyone bringing in or in charge of the use of any motorized bike, two, three or four wheeled, must be trained in its use and must wear a safety helmet at **ALL** times when using it.  
Quad bikes must not carry passengers, and no-one under the age of 16 is permitted to operate a quad bike.  
Motor bike riders must observe a speed limit of 15 k/p/hour at all times, anywhere on the showgrounds.
12. **The RAS Yellow Card** – *This Show supports the RAS ‘Yellow Card’ system. A yellow card will be issued in cases of offences in respect of abuse of animals or inappropriate behaviour towards show officials, judges, fellow competitors or other third party, as per the RAS Constitution and the RAS Rules & Regulations/Bylaws including the Equestrian Rule Book, the RAS affiliated Show Measuring Stand and grounds. A duly appointed delegate of the show may deliver to the Person Responsible a Yellow Warning Card (either immediately or within 10 days of the show). Full wording of the ‘Yellow Card’ System is available to view on the RAS website – [www.ras.org.nz](http://www.ras.org.nz).*

13. **The RAS Resolution Process** can be found on the RAS website, as above. The principle behind the process is to deal with the matter as it comes to hand and in most cases it should be dealt with directly by the show. If the matter is in regards to a RAS official, the show may request the assistance of RAS Head Office as to how to deal with this in an appropriate manner.
  
14. **TEMPORARY PENS** – Temporary pen systems that meet an agreed safety requirement endorsed by the RAS are permitted, as per the RAS website. Any other temporary pen including (but not restricted to) tape, strings, ropes or chains, are banned.  
Stallions or colts can only be tied to a truck or float if they are under constant supervision, or are tied within an RAS approved solid framed portable yard that is attached to the outside of the truck or float. Otherwise, they must be confined in stables, suitable yards, or within the float or truck.
  
15. The show would prefer that **dogs** are not brought onto the grounds; but if you do bring a dog it MUST be on a lead and controlled at all times. The car racing circuit and its environs are strictly out of bounds for dogs.
