Manfeild Park Stadium  
75 South Street, Feilding  
PO Box 501, Feilding 4740

Dear Exhibitor

Welcome to the 2015 Manawatu Show.

As usual we have a number of other activities at our Show which may be of interest to you. These include Sheep Counting, Mahon's Amusements, Regional Excavator Competition, Bubble Balls, numerous bands and the ever popular Farmworld. Be sure to check them out!

### Equestrian Details

If you entered online or by post and included an email address, you will have received a Record of Entries by email. If you entered online, you can also view your Record of Entries by logging in to Main-Events.com and going to your MY MAIN-EVENTS profile area. Click on the *Online Entry* tab and then click on the small blue button with the magnifying glass next to our show name to see your original entries. Changes made after that date are uploaded to the class lists area on Main-Events.com .

As the post is proving to be rather erratic, we are not sending out wrist bands for entry onto the grounds but these can be collected from the Showing Caravan if you require access between the showing section and the rest of the show. (The gate at Rata Street is not being manned).

Your horse or pony **Breastplate Number** was emailed earlier in the week but is also available to view and download from the DOCUMENTS tab on Main-Events.com. It will also be available on the website [www.manawatushow.co.nz](http://www.manawatushow.co.nz) from Friday and at the Showing Horse Caravan at the Old Tote building. The **competitor is responsible for making the number**. Working Hunters and Pleasure Horse/Pony classes are exempt.

Working Hunters will be required to wear back numbers which can be picked up from the Showing Horse Caravan.

### Parking (See map)

**Showing, Breed and Pleasure** horse/pony class exhibitors will enter from **Rata Street** and park in the **yarded paddock only**. N.B. There is a car meeting on at this time & they will be using the rest of Rata St parking.

**Show Jumping, Show Hunter, Miniature and Donkey** exhibitors will enter through **Gate 5, Kawakawa Road**.

If you are competing in several Sections then you can choose which gate is more convenient for you. Access between the showing section & the other sections is through the gate at the

Old Tote Building and the gate between the grandstands. The attached map shows how to get **yourself and your Horse** from one Section to another. **No vehicles are allowed on this access route.**

### **Prize money collection**

Prize money collection and class alterations are as follows: **Showing** at the Horse Caravan at the Old Tote Building, & **Show Jumping & Show Hunter** at the Show Jumping caravan.

As prize money will be handed out on the day, you must ensure that all entry and ground fees are paid up before you start unless other arrangements have been made with the show secretary. A list of those who owe money can be checked at the Horse Caravan at the Old Tote building for the Showing sections.

### **Stabling:**

The Stabling List will be on the **website** as from Friday. It will also be posted at the noticeboard at the **Stabling Area** and the **Washdown Bays**.

There are showers and toilets available at the back of the Stadium.

We look forward to seeing you and hope that you enjoy the 2015 Show.

Yours Sincerely

John Wall
