Welcome

FROM THE PRESIDENT

It's that time of year when entries officially open for the 155th Canterbury A&P Show. The Committee look forward to another great Show in November.

Our Show, the largest A&P Show in New Zealand is a major part

of New Zealand Cup and Show Week. I invite you all to be a part of the Show and help make it a great occasion.

I have been exhibiting Dairy Cattle at the Canterbury A&P Show since leaving school forty years ago, so I think it's great that this year the Dairy Cattle Section will have Royal Event Status. Hopefully this will encourage more entries which would be an excellent boost to our section. It's also an exciting prospect that we will have three international judges for the dairy section – possibly for the first time ever.

While Dairy is a feature at this year's Show, we also have great competitions for most other types of livestock too. You can read all about our events and specialist competitions in this Schedule. You will also see there is a good selection of competitions for Youth. We've been working hard at trying to increase our offerings for youth competitors, and these competitions are attracting more and more exhibitors every year. We're always blown away with the enthusiasm and knowledge that the younger ones bring and it's great to see them getting involved as the future of the A&P movement.

Health and Safety is a huge concern for our Association and an area where we strive to lead the pack. Over the past few years we have been working extremely hard to comply with the laws, so please read and follow the Health and Safety Recommendations put forward by the A&P.

Apart from the competitions, there is plenty of great entertainment and activities to see and do at the Show – there will be more information available on our website throughout the year.

Also, make sure you keep an eye out for our Official Guide later in the year – this booklet has a full entertainment schedule and proves why the Show is

such great value for the whole family. There's also plenty of food and refreshment outlets – from your typical Show fare – to more gourmet offerings.

Again, we will have a huge turnout of Trade Exhibitors showcasing their businesses. These are a great spectacle so please take the time to have a good look around.

If you are not already a member of Canterbury A&P Association, consider joining. There are some great benefits in being a member, including discounts on your Show entries. If you want to know more, get in touch with the office or a Committee Member.

Finally, thank you to the Canterbury A&P Board, Committee, Sub Committees, Volunteers and the management company, Beck & Caul (formerly known as TDM Events). There is a huge amount of work in organising and running New Zealand's largest A&P Show. Without the commitment from all of the above, it would not be possible to have such a prestigious event and continue the traditions of the past 155 years.

I look forward to seeing you all at the Show in November.

It is required that all riders particularly those jumping horses wear protective headgear conforming to the current NZ Safety Standard or an equivalent standard and that the headgear be secured by a retention harness. No penalties will be incurred for those riders wishing to use approved safety helmets in showing classes. All riders, including harness drivers, competing at RAS affiliated A&P Shows/events must wear protective headgear, which includes a retaining harness secured to the shell at more than two points. Such headgear must be worn with the chinstrap properly adjusted and fastened when in the arena or ring, the practice area, collecting rings or anywhere else within the Showground. Hats/helmets must conform with one of the current approved safety standards. These standards may be subject to change but the latest list can be found at www.ras.org.nz. RAS will advise any changes via their website and Facebook.

In Turnout and Equitation Classes the rider has a choice to wear a three point Harness Safety Helmet. The Helmet is to be covered in black velvet with flesh coloured harness. Riders opting to wear a safety riding helmet (as described) will be judged on 'equal terms' as a rider wearing the traditional bowler hat and lanyard. Recommended Helmets: Charles Owen Black - H2000 (6.13KB), Charles Owen Black - H2000 (10.6KB).

Dressage competitors please note that under Dressage NZ Rule 480 black or dark blue NZ Safety approved helmets with harness must be worn in all training, warm-ups and competitions.

Imagine owning a pool that saved you money, used less chemicals and CLEANED ITSELF!

Most people who buy a pool start off with dreams of relaxing and enjoying time with family and friends. What they don't picture is the hard work which is typically needed to look after that pool – all the manual cleaning, the heavy lifting of robot and suction cleaners, the ongoing task to keep your water balanced, healthy and safe to swim in.

The Vantage operating system is a unique water circulation system designed to reduce chemical usage, eliminate cold spots and keep your pool clean of debris without the need for regular hand vacuuming or any other cleaning equipment. Owning a Compass Pool with the optional Vantage system can set you free to enjoy your pool as you should!

4 benefits gained through using the Vantage System

- 1 Even temperature throughout** – Warmer surface water is circulated top and bottom.
- 2 Save up to 50% on chemicals** – Complete circulation prevents chemicals raising to the top and "burning off".
- 3 No cleaning** – No need to lug heavy vacuums, no raking – the Vantage System does 99% of the cleaning for you.
- 4 No stagnation** – All water is moved constantly which means no algae bloom in 'dead-spots'.
