*Watchamacallit LS is a superb jumper with an amazing quick action with his front legs. He is bold, careful and passes this and amazing movement on to his progeny. He is 3/4 thoroughbred so has that "blood" that the overseas riders have found valuable.*

*Faberge is an exciting combination of bloodlines and this family can jump!! Her sire Wodan produces outstanding offspring. He was a Grand Prix jumper with Frank Sloothak. A real Ferdinand line Hanoverian. Farberge her self is no exception a supurb talent!*
