News from the Equidays Team

This email was sent directly to each competitor with details of any balance owing and the number of wristbands allocation.

We are posting as a generic document as it contains specific information related to:

- Entries open until midnight Friday with no late fees
- Back of house vehicle passes to be emailed
- Stabling allocations
- Wristband pickup
- Ordering extra wristbands
- Night Show tickets
- EFTPOS available
- New EQUIDAYS APP

Please note, if you have a balance owing you **MUST** pay by Monday or camping / stabling and wristband info will not be emailed and entries will attract late entry fees. Please direct credit as follows:

Account Name: Equidays
Account Number: 38-9008-0588196-01

NOTICES FROM THE SECRETARY

What an exciting adventure we have planned for next week. Check out the [schedule of activities online](#). The gates will be open at 12pm for riders on Thursday so you can settle your horses.

There are a number of admin things we need to bring to your attention as follows.

ENTRIES CLOSE midnight Friday

You will be able to enter online with no penalty until midnight this Friday 05 October. After this time late fees will apply to all entries except Demo Riders, Horse and Pony Grand Prix's & the NSC Premier Derby late fees will be charged but will be refunded.

EFTPOS

This will be available at the office during the show to pay for additional entries.

BACK OF HOUSE VEHICLE PASSES

Every customer will be emailed with their back of house vehicle pass, stabling allocations and number of wrist bands Tuesday next week. Please ensure you have both the Equidays and main-events email addresses in your email address book so the email does NOT land in the spam folder.

Print off the the back of house vehicle pass and place on the dashboard of your vehicle - these will be checked at the gate – no pass no entrance!

Please note, passes will only be issued to those without a balance owing. If entry fees have not been paid, you will be stopped at the gate.

MONDAY LAST DAY TO ORDER WRISTBANDS

The allocation of wristbands will also be done through the vehicle pass however you MUST pick up your allocation at the office on arrival. All riders and public will be required to wear their wristband at all times at the show. Anyone caught without a band at the show will be charged a full admission fee.

If you need extra wristbands, you must order by Monday. You can do this online by emailing vic@syenz.com These must be paid for at the same time by direct credit or they will not appear on your vehicle pass.

NIGHT SHOW TICKETS

Please note, the wristbands allocated for riders are only for the day. Tickets for the Night Shows and the Dressage Masterclass with Juan Manuel Munoz Diaz can be purchased [here](#).

STABLING

Stabling will be allocated shortly and will appear on your camping pass. All yards will be clearly labelled with the customer and number so there are NO excuses for putting your horse or pony in the wrong place! This will be strictly enforced so if you horse or pony is in the wrong yard, it will be moved to a holding area to allow the rightful customer to put their horses in place.

DEMO RIDER SHIRTS

DEMO RIDERS to pick the polo shirts up from the Participant and Rider Office

EQUIDAYS APP

The new free Equidays app is now available, making it is easier and quicker to navigate Equidays and make your plan for the day in advance. [Download it now](#)
