CHAIRMAN'S WELCOME

It's my pleasure as Chairman of the Upper Clutha A & P Society to welcome you one and all to the 2019 Wanaka A & P Show.

2018 saw a significant change within our Society's governance structure, for the first time in its long history we have a member elected Board tasked with governing the affairs of the Society. Outwardly during the two days of our event you will see very little change. This year's theme being "Call me Local", should encapsulate how we all feel after attending this marvellous event.

I'm sure all exhibitors, competitors, visitors' volunteers and members will always be overwhelmed by all the action taking place during these two special days.

A big thanks, as always, to Jane and her team that work tirelessly to make this such a special show, also to everyone else involved in the running of this iconic event.

As a Board we hope that we can preserve the special character of our A & P Society whilst looking towards the future. One of our tasks is trying to bridge the ever-widening divide between urban and rural and we are eager to provide the strategic direction necessary to achieve this.

Anyway, I've rambled on enough, have a fantastic show and enjoy "being local".

NOT EVERYTHING FROM THE CITY WORKS IN THE COUNTRY.

SO GET THE RIGHT INSURANCE FOR YOUR LIFESTYLE BLOCK.

Some city dogs just don't work on a lifestyle block, and it's the same with city-sized insurance. There are so many things you just won't be covered for with your standard House and Contents policy. Whether it's your goats escaping into the neighbour's greenhouse, your tree falling onto your neighbour's property, or your bridge or culvert getting washed out by a storm. That's why you should talk to the rural insurance specialists at FMG. After all, we insure more lifestyle blocks than any other insurer, as well as looking after New Zealand's farmers and growers for over 100 years. HELMET SAFETY STANDARDS

ALL HELMETS MUST COMPLY WITH THE SAFETY STANDARDS AS SHOWN.

A new rule introduced into the ESNZ General Regulations will see all riders competing in ESNZ disciplines having to wear approved safety helmets from 1st August 2017.

The ESNZ rule now states that all riders must wear an approved safety helmet in competition – the accepted safety standards can be found at all times on the ESNZ website. Many helmets have been checked and tagged by stewards, gear checkers and officials throughout the 2016-17 season so riders are all ready by 1 August 2017. Helmet checking and tagging will continue at events, and some special helmet tagging sessions, indefinitely.

ESNZ and New Zealand Pony Clubs Association have signed a joint memorandum of understanding to support the single tagging policy for New Zealand equestrian events and activities held by either of the two organisations.

As such, a joint ESNZ/NZPCA branded helmet tag has been produced. Once tagged, with the new red tag, a helmet will be allowed to be worn at all events and activities of either organisation.

Please note: RAS will also be following the lead of NZPCA and ESNZ with regards to helmet standards and tagging of helmets.
