## INTRODUCING – BOOK-a-BLOCK

This exciting new initiative from Equidays and the Main-Events Team gives riders the opportunity to book which stable block they will be allocated for a fee during the Online Entry Process – the horse/s are then guaranteed to be allocated within that block.

Much like booking a seat on a flight you do not have to BOOK-a-BLOCK but if your stable location is important then this is for you. Numbers are limited so don't delay!! This year we are limiting BOOK-a-BLOCK to the Stable blocks circled below only.
