Invites you to enter

2019 North Island Secondary and Intermediate School Championship - Equidays

The format will be the same as last year; The championship will be held as a pairs competition, with two separate classes, one for junior riders (14 yrs and under as at 1st July 2019) and one for senior riders (15 yrs and over). So at the end of the day there will be two champion pairs – there will also be a champion school pair for each class for the highest place pair where both riders are from the same school. Just like last year it will be open for secondary as well as intermediate schools (Yr 7-Yr13).

Schools can enter as many pairs as they like. If you have an odd number of riders (or just one rider), we will do a draw on the morning to make up pairs.

There will be two sessions and finals. B finals will be held depending on entries and time.
