Are you going to the YOUNG HORSE SHOW this weekend?
Is your horse or pony for sale?

Try our **FREE new service** to show your horse or pony is for sale to riders at the show!

Tick horse or pony is for sale under the horse's COMPETITOR profile on Main-Events and then all classes entered under Main-Events.com will show your horse is for sale with a green $ mark.

Riders can watch from the sidelines and then contact you at the show or later via secure email service from the Horse Profile area if interested. You do the negotiations. We don't take any commission.

It's easy DIY ... upload photos, a long or short profile, video links, and pedigree.

DETAILS area where you tell buyers about your horse (Optional)

4. This shows a list of all the info items that were asked by a show during the online entry process since you first added the horse to Main-Events. If they are grey in text, they are flagged as PRIVATE so only you with your login can view that information. No other rider can see that info. Any information that you want to show to intending buyers you will need to edit and make PUBLIC. Click on the blue pencil button to edit that info item. A form will popup (see above)- you TICK to make this information public and click on SAVE. You can edit the INFORMATION that displays for *any other* public item using the same process.

5. To move info items up or down to make sense of the info order, click on the double arrows (pale blue) and drag up or down. When you have positioned one item, you should then click on the REFRESH button (or press F5) to SAVE that position.

6. We suggest you ADD one or more of the following info items to your public list to aid in the sale. To add an info item that is not in your list, click on the blue ADD INFO button and type in the following TEXT exactly as we show below. A form will popup with matches and you choose the correct one. Type in the information and SAVE.

   *Long Profile (*no limit to text unlike the short profile listed under the EDIT DETAILS) This can include pedigree, colour, gender age etc.

Whats next?

Every show or class the horse or pony is entered in will show a $ sign beside their name (until you take it off). If riders click on the horses name from a class, they can then go to VIEW THE FULL PROFILE and the information you entered above will appear.

They can then email you privately using a secure email form the same area by clicking on CONTACT while looking at the horse for sale. Or they might have a chat at the show.
