

Subject: TE KAUWHATA A & P
Good morning all

A couple of things to note. (Apologies if this doesn't affect you).

A: HORSE FLOAT PARKING: Because the lower field is very uneven, hard and not suitable to jump on we are having the jumping up the top and parking down the bottom on Saturday. Those who are only coming Sunday may park in the cattle area. Miniature horses and Standardbreds on Sunday may come in the entrance on Mahi Road next to the Garage and park in that area.

B: PINTO RIDDEN: Because we have cancelled the Donkey Section as there was only one entry we can now hold your ridden classes at **1pm** in ring 5.

C: LIVAMOL THOROUGHBRED CLASS: I am aware that some people may have missed that this class is being held. If you are already competing and would like to enter this class (11am Saturday) your entry will be accepted with NO late fee.

D: HORSE YARDS: These are at the far end of the lower field. I am organising a pod of water for your convenience. The yards are available to those who have booked them. If you don't think you have booked a yard and need one, please let me know. They are \$10 for the duration of the show and can be paid for at the Secretaries office if not already paid.

Any questions please do not hesitate to contact me.
