No extra cost to competitor. When the competitor rides into the ring they tell the judge whether they are riding for double or quits. The double only relates to 1st place.

The competitor with the fastest time and has nominated double would get double first place prizemoney. If the total prizemoney for the class is e.g. class 2 the 1.20m horse is \$330 with first being \$120 a competitor would be able to win \$240.

The competitor who nominates double and doesn't get the fastest time but gets another placing in the class would receive a ribbon for that placing but no prizemoney. Competitors that complete in these classes who nominate "quit" and get placed would receive the scheduled ribbons and prizemoney.
