

Poverty Bay A&P Spring Show

14 – 17 October 2021

COVID 19 Alert Level 2

RESPONSE PLAN

This response has been completed by
Poverty Bay A&P Ass/Gisborne ESNZ

HELD AT THE POVERTY BAY ASSOCIATION/RDA EQUESTRAIN CENTRE,
35 MAIN ROAD, GISBORNE

SITE OPERATIONS

At Alert Level 2, gatherings, including events and conferences for no more than 50 people inside and 100 outside plus staff and workers, can take place at the Poverty Bay A&P Show grounds/equestrian Park as long as these groups are managed according to the Alert Level 2 guidelines, and social distancing and hygiene requirements are adhered to. All people onsite will be allocated to colour-coded groups that may not mingle or socialise. Physical distancing of at least 2 metres needs to be always maintained on site. The government has mandated the use of face coverings at Level 2 to help to prevent the spread of COVID 19 and face coverings must be worn in all indoor areas and where physical distancing of 2 metres is not possible outdoors.

Riders are strongly encouraged to only bring one support person and only if they really need the support.

All class changes or scratchings are to be emailed to equestrian secretary by 5pm the previous day. NO LATE ENTRIES can be accepted but class changes are allowed.

Ribbons must be collected from the office using contactless pick up. Presentations of rugs will be carried out maintaining social distancing which means the rider will need to rug their horse.

Site inductions that include up-to-date and relevant COVID-19 information, will be conducted for all those on site during this event including staff, committee members of the Poverty Bay A&P Ass, committee members of ESNZ Gisborne, volunteers, suppliers, contractors, and tenants. Inductions will be completed whilst maintaining the Alert Level 2 Physical Distancing and Hygiene protocols outlined in the NZ COVID MOH guidelines and outlined on the Unite Against COVID-19 website <https://covid19.govt.nz/alert-levels-and-updates/alert-level-2/>

We ask that you print the Induction form and return it to the Committee by email prior to the event or on entry to the grounds. The designated POVERTY BAY A&P ASS OR GISBORNE ESNZ COMMITTEE MEMBER completing the inductions will expect the form signed before entering the grounds.

Bathrooms will have signage providing guidance from the MOH on how to wash hands properly to prevent the spread of the viruses. Anyone entering the POVERTY BAY A&P GROUNDS site will be required to wash their hands with soap and water regularly. Hand sanitiser will be provided where appropriate but does not replace the need for proper handwashing. Physical distancing must be maintained when using bathrooms and ideally only one person should be in each bathroom at any one time. NEC cleaners will clean and sanitise the designated toilets and bathrooms three times a day throughout the event. Some toilets will be closed and may not be used to minimise the potential spread of viruses.

There will be a designated toilet area inside the RDA indoor arena building for staff, Poverty Bay A&P committee members, Gisborne ESNZ committee members, volunteers, suppliers, and contractors.

Key operational procedures follow:
