## President's Message

Welcome to our Show - the oldest A & P Show in New Zealand.

The Bay of Islands Pastoral and Industrial Association enjoys great support from its sponsors and again we have GJ Gardner Homes as our premium sponsor. Please see the list of sponsors in this schedule. If you have the chance and you are visiting any of our sponsors - let them know in part you are there because of their support.

Hopefully as you read this, we are in Lockdown Level 1 and able to proceed with the oldest show in NZ.

Covid-19 has certainly challenged what we do and how we do it. Last year we cancelled the show due to the uncertainty of Covid 19 and we are very keen to make up for that this year.

Bay of Islands Young Farmers have stepped up to fill a gap created as the farming community manage their risks with Micoplasmabovis. They will have an Agri Kids-Teen Ag competition. This has been well patronised and there are few things better than seeing our young people enjoy themselves. This will be very interesting to see these young people compete as they are the next generation of farmers.

If you are competing, please give us some feedback on the set up for your competition. We want to know that the format works or not, or maybe some tweaks are required. Considered, informative feedback is welcome.

We hope our exhibitors and competitors get the success they deserve. The courtesy and respect shown to judges and stewards is appreciated. Yes, it is about competing - but have fun as well.

Thanks for patronising our show, and hopefully, the weather plays the game.

## NORTHERN DISTRICT RAS YOUNG PARADER COMPETITION 2021-22

### Free Entry

### Rules

The aim of this competition is to encourage young people to enhance their skills on animal handling and knowledge whilst fostering showmanship between competitors as well as having an opportunity to bridge the gap between calf club and the pedigree ring.

- This competition is run in the Northern District only and the overall top four placings will be selected from participants who live within the Northern District RAS region.
- Competitors in the Junior competition are to be 5-12 (inclusive), whilst competitors in the Senior competition are to be aged 13-19 (inclusive) All ages are as of October 1<sup>st</sup> of the current show season. Competitors may be asked for proof of age on show day.
- Entry is to be free to all competitors.
- In both the dairy and beef competitions, junior competitors may only enter a calf and senior competitors may enter either a calf or yearling only.
- The competitor may only enter the beef or dairy class, not both. Any competitor recorded competing in both the dairy and beef section will be excluded from the overall competition.
- To be eligible for the overall Northern Districts Young Parader prize, the competitor must compete in four or more Northern District A&P Shows in the particular class for the current show season. Please refer to the RAS website for a full list of Northern Districts A&P Shows.
- The competitor may enter as many shows as they wish, however their final score will be calculated as an average from their top four shows.

- The highest scoring Northern District competitors in each of the four classes will receive \$100 for 1<sup>st</sup> place, \$75 for 2<sup>nd</sup> place, \$50 for 3<sup>rd</sup> place and \$25 for 4<sup>th</sup> place, sponsored by the Northern District RAS.
- Judged are to line-up all competitors. Shows are to record the names of all entrants regardless of placing.
- Results will be published on the Northern Districts RAS Youth Facebook page shortly after each show in order to track the competition. Please contact this page directly with any enquiries.
- Points to be awarded as follows (regardless of number of competitors in the class):

1 <sup>st</sup>	2 <sup>nd</sup>	3 <sup>rd</sup>	4 <sup>th</sup>	5 <sup>th</sup>	6 <sup>th</sup>
6	5	4	3	2	1

### Judging Guidelines

#### Presentation of the competitor

- The competitor is to wear a plain white shirt with dark pants and clean, strong, appropriate boots for cattle handling. No open footwear or gumboots are permitted;
- No logos or advertising whatsoever are permitted. This includes on hats and breed uniforms.

#### Presentation of the animal

- The conformation of the animal itself is not to be judged, however general presentation is to be taken into consideration. It is expected that the competitor has prepared the animal sufficiently themselves and is encouraged to know basic information about the animal such as birth date, breeding and rearing.
- Rope, leather, chain and nylon halters are permitted. It should be clean and fit the animal correctly.
- For beef competitors if a show stick or cane is carried it is to be used correctly.

#### Parading of the animal

- The competitor should aim to display the animal in such a manner that the judge gains a clear view of the animal at all times, and that the animal is seen to the best of its ability.
- Emphasis is placed on the effort of the competitor to be able to parade and handle in general regardless of the particular animal on the end of the halter, therefore senior competitors will be requested to swap animals (juniors will not).
- The competitor should be able to stop, move the animal on and keep the animal under control whilst being aware of where the judge is in the ring.
- Outside assistance is not permitted under any circumstances and competitors will be disqualified.

It is the responsibility of the show to brief the cattle judge fully, prior to this class with its specific rules and it is strongly recommended that this class is judged straight after lunch whilst animals, competitors and judges are fresh. The decision of the Northern District RAS Youth Representative is final.

# THE BOI YOUNG FARMERS AGRI KIDS & TEEN AG CHALLENGE

The Bay of Islands P & I Show  
Saturday 13 November 2021

The BOI Young Farmers Rural Challenge is a competition for AgriKids & TeenAg. New Zealand Young Farmers (NZYF) is a non-profit social organisation, recognised as a progressive and dynamic social network for youth which develops the leadership and personal skills of members through participation and achievement. New Zealand Young Farmers are committed to adding value and contributing to the agri-sector by providing support for rural youth and people capability development.

### The AgriKids Competition

The AgriKids Competition is for school children aged eight to thirteen years of age. The aim is to promote the fun side of agriculture while children develop valuable skills and make lifelong friendships. Members don't need to come off a farm, they just need to have a love of the land and be keen to get their hands a bit dirty! AgriKids members participate in a variety of activities and skills days as well as the official AgriKids Competition series which runs alongside the TeenAg and FMG Young Farmer of the Year Contest.

### The TeenAg Competition

The TeenAg Competition is for secondary school students aged thirteen to eighteen years of age. This challenge will be based around skills that students have learnt both at school and on the farm, with a focus on careers in the agri-industry. TeenAg aims to introduce and promote a positive picture about food production and the range of opportunities available in New Zealand's agricultural and horticultural industries. The goal is to show the stimulating and fun side of growing and producing food and fibre to students from all walks of life.

**With plenty of noise and action, this will be the place to be on Show Day!**

**Entry fee - \$15.00 per team of three. Entries close 5 November.**
